Dear Counsel:

You are hereby requested to make a written status report to this office within fifteen days from the date of this notice. Twenty or more days have passed since the complaint was served and we have not received responsive pleadings from the defendant.

Reasonable extensions of time to answer the complaint will be granted, but the party seeking such extension must obtain court approval. If this is the status, please submit such an order. If a party is in default, notify the Clerk's Office in writing that the entry of default is requested pursuant to Rule 55(a) FRCivP. Thank you for your assistance in this matter.
